Peter Goes to the Circus

Peter went to the circus. He was very excited. He had waited for a long time to see the circus. He stood in line with his mom and dad. They got their tickets and went inside. Just as they sat down, music started playing. The circus was starting!

First there were lions and tigers that jumped through hoops. They were a little scary. Then there were acrobats on swings high up in the air. After the acrobats, there were funny clowns with red noses. There was even a man riding a big, gray elephant!

Mom liked the acrobats swinging high above the ground. Dad liked the fierce lions and tigers. Peter liked the clowns the best because they made him laugh. They all had a lot of fun at the circus.
