Fireman

When there is a fire, a fireman must act quickly. First, he must attach the hose to the fire hydrant. Next, he unhooks the ladder from the fire truck. He puts on his mask to protect himself from the smoke. The fireman climbs the ladder to a window. He turns on the hose and pumps the water on the fire. After the fire is out, the fireman goes back to the station. He hangs the hoses up to dry. His last job is to clean the fire truck.
