## Juan and Nathan

Juan and Nathan go to the same school. Juan's parents moved to the United States from Mexico. They decided to open a Mexican restaurant in their new community. They serve tacos, refried beans, and burritos. Juan's parents speak Spanish and at Juan's birthday party, he will try to break a piñata. Nathan and his parents are African-American. They own a car dealership. Nathan's family celebrates Kwanzaa. At Nathan's birthday party, he will go roller-skating.
